20th EANLPt conference in 2-5 November 2006

Dear colleagues,

We would like to inform you that all preparations to conduct 20th conference of European association of NLPt are in progress.

The conference will take place, as it was planned, on 2-5 November in Lviv, Ukraine. The place of conducting the conference is Lviv National University named after Ivan Franko, one of the oldest universities of Europe, founded as early as 1661p.

The topic of the conference is "The problem of psychological health in contemporary psychotherapy" gives possibilities to various maneuvers.

Two types of work are planned - lectures and workshops. And of course we count on Your willingness to share your knowledge and experience. We are hoping for 2-3 hour and a half presentations of NLP techniques and/or 2-3 workshops.

To stay in Lviv we can recommend hotel Dnister, which is situated in a picturesque park zone in the central part of the city, 7-10 minute walk from the place where the conference will take place.

On Friday an excursion will be organized round Lviv. After the celebration of its 750 anniversary the city will meet you with its ancient modern beauty.

As far as I know citizens of Europe do not need a visa to come to Ukraine. But as everything changes so quickly we advise you check information in the consulate of Ukraine in your country. In case of necessity invitation will be sent by fax.

Please confirm us about your participation, plans of arrival and proposition of your statement at conference or holding workshop.

For correspondence concerning questions of the conference please write to - nlpt2006@mail.ru

Correspondence with you will be led by Inna Galetska and Elina Sluchenkova, a secretary of organization of committee of the conference.

Yours faithfully Inna Galetska
Elina Sluchenkova
