Yes, the IANLP does dismiss Members.

But – rest assured - only after intensive in-depth conversations and investigations.

- Declaration of Trust: In case of stressful events and conflicts the IANLP will stand by our members and will work together to find feasible solutions.
- Action Frame: To take measures and - if necessary - also dismiss members makes the standards valuable and significant. It is the noble duty of the Secretary General to protect the association, its members and the good reputation of the NLP.
