Curriculum NLP Trainer IANLP lists what is a must to appear on the certificate.

We hereby certify that

Firstname Name

has fully attended the continuing education program

Leadership & ProzessSteuerung

NLP Trainer (blended) IANLP

in accordance with the guidelines and standards of the NLP Academy Switzerland and the IANLP International Association for Neuro-Linguistic Programming, and has successfully passed all graduation requirements.

Learning Contents: In NLP Trainer IANLP training, skills and competencies in communication methods and intervention techniques for seminar management and lesson design were taught and their application successfully demonstrated. Special challenges that emerged during the course of the training were used for individual learning and supervision processes.

Competency Assessments: Regular and ongoing written reflections on personal learning process; Written and oral feedback on own and others' presentation sequences; Literature study (documented); Written final exam; Multiple presentations given in front of an audience.

Learning time NLP Trainer IANLP: 190 hours of total learning time. Consisting of 10 days/60 hours of synchronous online training and 8 days/70 hours of on-site classroom training. Plus selfguided out-of-school study time of at least 30 hours plus 15 hours of supervision (corresponds to approx. 6 ECTS). Duration: The in-school training took place from October 3, 2019 to October 14, 2020.

Overall learning time: This training is level 4 of the continuing education modules in Neuro-Linguistic Programming. The person awarded this certificate has completed a total of at least 510 hours of learning time to achieve this degree.

The training complied with the standards set forth by the International Association of Neuro-Linguistic Programming IANLP. IANLP certificate number: IANLP102021031523007
