

# The IANLP Quality Assurance System

Ueli R. Frischknecht, Secretary General of the IANLP

recorded February 4, 2022

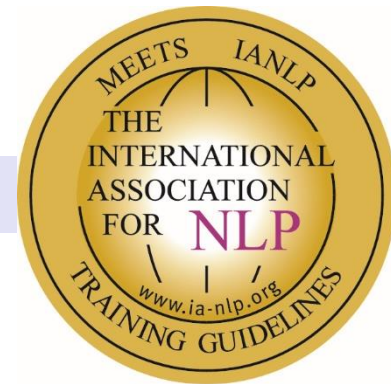

## Quality Assurance System (QAS)

- The phases in **overview**:
  - Personal Quality Portfolio
  - Quality Development Meeting
  - Reporting to the IANLP
- The 8 elements of the **Personal Quality Portfolio**

in annex

Definition of 'Supervision' and/or 'Intervision'

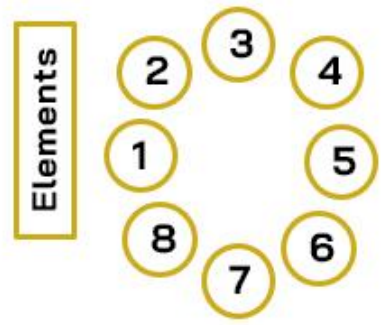

# Quality Assurance System ( the 3 Steps in overview)

## Step 1 Collecting

portfolio documents

**Personal Quality Portfolio**

## Step 2 Discussing, Reflecting

**Quality Development Meeting**

Periodically, depending on seniority.

**FMT**

## Step 3 Reporting

**Report + Documents to the IANLP**

The IANLP will send a reminder at the beginning of the year in which the report is due.

## Quality Assurance System

### What's next ?

- Refining the system: All first QDMs are “test runs”. That's when experience is gained and the system is improved.
- In the coming weeks, the IANLP will contact all FMTs and suggest the first date to submit the report. In any case, this will be no earlier than 3 years from today (October 2025).
- FMTs with license expiring within the coming 3 years, will be invited to start their first cycle of Quality Assurance when they enter the next license period.

**FMT**
